# Help 170,000 Pennsylvania Kids Retain Medical Coverage

**This September Congress failed to renew the funding for Children's Health Insurance Program (CHIP). The CHIP funding bill is almost forgotten in the midst of endless discussions about the end of year budget and tax reform.**

**Pennsylvania's allocated CHIP funds run out in December. Without this funding children will not be able to get immunization shots, doctors' visits, nor emergency care.**

**Call your House Representative and let them know how crucial this medical coverage is for our kids. Do it today!**

**Children's Health Insurance Program (CHIP) is not funded for 2018. Call your House Rep. to make it happen!**

## Ayuda 170,000 Niños de Pennsylvania a Retener Cobertura Médica en 2018

En septiembre el Congreso no renovó la financiación para el Childrens' Health Insurance Program (CHIP). La financiación de CHIP esta casi olvidada en el medio de discusiones interminables sobre el fin del año presupuesto y reforma tributaria.

Los fondos de CHIP asignados a Pennsylvania se agotan en diciembre 2017. Sin ellos, estos niños no podrán recibir vacunas, visitas de médicos, ni atención de emergencia.

Llame a su representante Congressional y deje le saber lo critico que esta cobertura médica es para nuestros hijos. ¡ Hazlo hoy !

**Congreso no ha renovado la financiación para el Childrens' Health Insurance Program (CHIP). Llame su Representante y deje lo saber lo critico que es para nuestros hijos.**
